1 The District Board agrees to the resumption the lands may therefore be resumed

2 From the letter of the President District Board, South Kanara to the Tahsildar, Karkal at p23 of the O/S file, (H) it will be seen that the buildings were constructed by the DK Board Udipi and Taluk Boards, accordingly the District Board may therefore be permitted to ~~[illegible]~~ remove and sell the materials

4. There were trees valued at Rs 20-15-1 on the lands. The collection of tree value was waived at the time of alienation. The Collector has not reported whether there are now any trees on the lands & the tree value was waived at the time of the alienation, it seems unnecessary to ask the Collector on this point.
